## **Appendix 1: ASD Class Enrolment Procedures**

The decision to provide a special class for children with a diagnosis of Autistic Spectrum Disorder in Scoil Mhuire was taken by the Board of Management of the school in 2016. A second special class for children with a diagnosis of Autistic Spectrum Disorder was opened in 2018. These decisions were taken with a view to providing an education in a mainstream setting for children who have a diagnosis of Autistic Spectrum Disorder and who fulfil the relevant enrolment criteria.

It is envisaged that this special class will cater primarily for children resident in the parish of Portroe. The Board of Management notes the Department of Education and Skills' policy to allow Boards of Management of recognised Primary Schools to establish similar ASD classes in their schools

The ASD (Autistic Spectrum Disorder) Class at Scoil Mhuire is a class for children:

- who have a recognised ASD diagnosis
- who have been recommended for placement in an ASD Class in a mainstream Primary School
- who have the potential to integrate into a mainstream, age appropriate class.

### **NOTE:**

1. All placements will be reviewed annually in order to ensure that the placement continues to be appropriate for each child.
2. The maximum class size is 6 pupils.
3. The provision of an ASD Class in the school was proposed by our SENO and approved by the NCSE for the school year 2018/19.
4. The establishment of this class is contingent on approval for additional accommodation being granted by the Department of Education School's Capital Appraisal Section and also on the necessary funding and resources being furnished to Scoil Mhuire by the Department of Education and Skills.

### **Aim**

We aim to offer a positive and meaningful educational experience, for children who are on the Autistic Spectrum and which allows the child to develop to his/her full learning potential in an environment that offers clarity, predictability and calm.

Our ASD class offers an autism specific learning environment within a mainstream co-educational primary school. This setting facilitates optimum inclusion in mainstream education as part of the school community, as appropriate, while having due regard for levels of general learning disability, resources and each child's current suitability for such inclusion.

We wish to provide a broad curriculum which focuses on the abilities and strengths of each child while supporting his/her areas of need. We will strive to enhance the communicative and social skills of the children in the ASD class.

## **Enrolment Procedure**

- Registration begins with a referral from the SENO, outside agencies, a telephone call or a visit from parents.
- Requests for Enrolment Application Forms for the ASD Class and queries regarding supporting documentation should be made to: The Principal, Scoil Mhuire, Portroe, Nenagh, Co. Tipperary.
- A school Enrolment Application Form for the Class for Pupils with ASD is then completed.

The Enrolment Application must be accompanied by all of the following supporting documentation supplied by parents:

1. The child must have a diagnosis of Autism / Autistic Spectrum Disorder made using the DSM-IV/V or ICD 10 by the psychologist or team.
  2. Original Birth Certificate.
  3. A written psychological assessment /report or a written Report from a multi-disciplinary Team must be provided. A multi-disciplinary team may consist of a Clinical Psychologist, Occupational Therapist, Speech & Language Therapist, Social Worker and a Physiotherapist. (Please note all reports on a child should be provided to the school for assessment by the Principal and SET team.
  4. There must be a recommendation by the relevant professionals in the report that a special class placement in a mainstream school is both necessary and suitable for the child. In this regard it should be noted that the academic ability of the child will be taken into account when considering an application and will be subject to continuous assessment and review.
- 
- The closing date for applications for the school year will be included on the Admission Notice as outlined in our School's Admission Policy.
  - Completed applications will be responded to within 21 days of the closing date for receipt of applications.
  - The list of applicants will be reviewed by the Principal and the Special Class Teacher.
  - All applications received by the closing date will be considered.
  - The school may seek the advice of the school's allocated NEPS psychologist to aid enrolment decision making.

Factors taken into consideration during the enrolment process are:

1. Diagnosis – Child must be diagnosed as being on the Autistic Spectrum and have a recommendation for placement in a special class attached to a mainstream school.
2. Integration - Child must be capable of integrating into mainstream, even at a minimal level, at an appropriate age level.
3. Appropriateness – Child must be capable of accessing the Primary School Curriculum.

Once the School is satisfied that the child presents as fulfilling the requirements in 1,2,3 above, places will be allocated in accordance with the criteria set out below. The School may request further information or a meeting with the parent and the child in the school setting, if deemed to be necessary. The school acknowledges that all children with ASD present with differing profiles. For this reason, all applications will be considered on a case by case basis.

**NOTE: The receipt of the enrolment application forms, psychological report and written recommendation is not a guarantee of enrolment. It is simply the recording of an application for admission to our school. Decisions in relation to applications for enrolment are made by the Principal.**

Before allocating places the Principal will:

- Review all applications and all documentation relevant to a child applying for a place in the class for pupils with ASD.
- Come to a decision on the suitability of the class for pupils with ASD to meet the needs of the child.
- Verify that there is a recommendation from a recognised Psychologist for placement in a special class in a mainstream school.
- Come to a decision as to the suitability of the child for potential meaningful integration in an age appropriate mainstream class
- Verify that the child is 4 years old on or before August 31st on the year of enrolment

Places will be allocated in the ASD class in accordance with the following criteria and in the following order:

1. Pupils currently enrolled in our mainstream school and seeking to transfer to the ASD class.
2. Applicants with siblings currently enrolled in the school (including stepsiblings, resident at the same address).
3. Children living within the Portroe Parish.
4. Children of current school staff.
5. If any places remain, they will be allocated on the basis of age, the eldest child/children enrolled first, according the child's/children's Birth Certificate.

### **Transfers**

Pupils may transfer to the ASD class during the school year subject to availability of places. Pupils transferring must enter the same class level that they are leaving, and have the necessary diagnosis and recommendations as outlined above. The school may request other relevant documentation if a pupil is transferring from another school. All documents need to be received in order for the application to be deemed fully completed.

### **Placement**

- After placement in the class a relevant Individual Education Plan (IEP) or Student Support Plan will be provided for the child. This plan will have an input from all parties involved with the education of the child. The Class teacher will prepare an annual IEP which will be reviewed in the Spring as is the Special Education Teaching policy in the school. It is up to the professional opinion of the teacher involved if the IEP needs to be updated more frequently.
- Each child in the ASD class will be assigned to an age appropriate mainstream class for integration purposes provided that this is in the best interests of the child, while having due regard to the educational benefit of all pupils enrolled in our school. Every opportunity will be used to promote inclusion in mainstream classes provided the child is ready for this step and has the necessary supports in place.

- A review will take place at the end of the child's first year (and at the end of each subsequent year) to assess whether the child's placement is appropriate. The review will be carried out by school staff with parental involvement.

The first year in the Class will be used to;

- Assess the child's educational needs.
- Develop an IEP/ Student Support Plan to address identified needs.
- Assess whether the child's placement is appropriate.

Taking into account the Department regulations and programmes, the rights of the patron as set out in the Education Act, and the funding available, the school supports the principles of:

- Inclusiveness, particularly with reference to the enrolment of children with a disability or other special education need.
- Equality of access and participation in the school.
- Parental choice in relation to enrolment.
- Respect for the diversity of values, beliefs, traditions, languages and ways of life in society.

### **Discharge Policy**

It is school policy to facilitate the discharge of pupils once they have completed 6th Class and/or reached the age of thirteen after September 30th in any year. This means a June discharge in the following year. The onus will be on the parents to negotiate the placement with a suitable post-primary School. Scoil Mhuire will facilitate all transfer of records/reports as well as assist with any information required with regard to students. Discharge from the ASD Class may also happen if a pupil is fully integrated into the mainstream school.
